C.A. No. 04-11192-RCL

**PLAINTIFFS MOTION FOR AN  
INJUNCTIVE ORDER FOR THE  
DEFENDANTS TO PRODUCE THE  
DISCOVERY MOTIONS REQUEST  
FOR THE WATER (ORDERED BY  
THE STATE COURT PREVIOUSLY)**

Now comes, The defendant and requests that this Honorable Court ORDER the plaintiffs to furnish him with the Discovery all about the **water supply** in Blillerica, reports, and anaylisis.

A motion was filed in the previous state suit (Exhibt A) Doyle V. County #89-1519 entry # 34. The county (defendants) refused to comply, the state case is resolved and/or has not been argued for over 3 years. (Settlement). This is more than a standard discovery requests because it entails the needed documentation to envoke a Motion & Injunction about the water that is unfit for human consumption and bathing purposes.

Respectfully;

Eric Kelley
